Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can toss over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

THE Verdict

It is the handsomest line of Clothing ever found in Maysville. If this is not the exact truth, then hundreds of customers who have looked through our stock and bought their spring outfit deceive themselves for the reason that the verdict

who have favored us with their patronage this spring. Our trade ever since the first of March has justified us to add from day to day the newest production in everything that pertains to our various departments. Look in our windows; they indicate the proper styles in

CLOTHING

SHOES

AND FURNISHINGS.

From us you get the best the manufacturers produce, and our prices are most reasonable. You can buy a good All Wool Man's Suit for \$6; a good English Clay Worsted Suit for \$8; a splendid All Wool Cheviot Suit for \$10; a made-to-order imported Cheviot Suit for \$12. Our \$16 line of Tailor-made Suits in all the latest novelties in Cheviots, Serges, Tibets, Clays and Viennas are simply matchless. And \$18 or \$20 buys Suits of the kind that only the best of custom tailors—the fellows that charge \$40 and \$50—can equal in material, trimmings and making.

Our Smith & Stoughton and Bush & Packard

SHOES

(see them in our show windows) are THE shoes for people who fancy nice, comfortable footwear. When the weather turns warm we will talk to you about our 1898 CRASH SUITS.

More Than 100 Dozen

Shirt Waists!

Have reached us in the past fortnight. Our buying in such large quantities is to your interest. Any manufacturer will "squeeze" the price when you take his goods in large lots. We can undersell the ordinary dealers because we underbuy them. The difference in cost is your profit. As to Shirt Waists, we have them in finest quality Gingham, Percale, Madras and Cheviot Cloths. All made with bias and full fronts in sizes ranging from 32 to 44. At 40c, 50c, 75c and \$1. Our line is equal to those you'll pay a third more for elsewhere. Observe our window display.

HOSIERY HINTS.

Our interest in a large hosiery mill gives us a rare opportunity in hosiery selling. Nuff said. We sell a full Seamless Black Hose at 60c, and a regular 15c quality in Tan or Black at 10c, or 3 pairs for 25c. A great line of Children's Fancy and Boys' Bicycle Hose at 15c and 25c. Extra special for the week is a regular 25c Ladies' Hose, full seamless, absolutely fast color, made of best Waco Yarn and put up 3 pairs in a box, at the ridiculously low price of 30c for the 3 pairs. Ask to see these.

CHILDREN'S HEADWEAR.

Our line of these cannot be equalled in this vicinity. Beginning with a pretty Gingham Sunbonnet for 10c, our stock includes a great variety of Caps and Bonnets, some made of mull, with wide embroidery and straw braid trimmings, at prices ranging from 10c to \$1.50, and others made of silk at 10c, 25c and 50c. Extra good is a real French Cap of 75c, value at 50c.

LADIES' KID GLOVES.

Please remember that all of our \$1 and \$1.25 Ladies' Kid Gloves are guaranteed. Should they rip or tear while trying on another pair for the asking. Our new stock includes all the latest and noblest shades, and a perfect fit assured.

THE BEST OLD GUN IN TOWN.

I never thought I'd need her—
That gun o' mine, an' in:
Ne'er ever have ter take her
From the rack she's rustin' in:
But times is changed; an', Johnny,
You might's well han' her down:
Thar's still some fightin' in her—
The best o' gun in town!

They heard her at Manassas:
She ripped away like fun,
An' made some lively music—
I tell you!—at Bull Run.
An' ever'where she heit her own,
'Till peace come 'long ter drown
That overpowerin' voice o' her'n—
The best o' gun in town!

I'm sorry that she's needed;
I 'lowed the wars wuz done,
An' that I'd never have ter fill
More graves with that ol' gun!
But times is changed; an', Johnny,
You might's well han' her down:
Once more they'll hear the music
Of the best o' gun in town!

CONFLICTING.

[When you see a big "scare" heading and read below it that such-and-such a thing is "reported" to have occurred, don't believe a word of it. It's a trap to catch suckers and sell papers—and it's low down, dirty journalism.—ED. LEDGER.]

If you have a dull pain about the eyeball, or if, when reading, the letters seem to run together, call and be relieved. We charge nothing for examination, and guarantee satisfaction in every case.

FRIDAY'S CASH SALE.

Embroideries at Half.

Embroideries are made in lengths of 4 1/2 yards. The machines may be hand power or steam driven, but the myriad needles work along the whole 4 1/2 yard length. The hand of the operator traces the guiding bar along the lines of the pattern and as if by magic every set of needles goes in the same direction. Some embroidery doesn't wash well. That's because it is badly made. We skip that sort, because it cannot be cheap at any price. The machine that makes it is built for speed; the work is planned for show. But not only does the embroidery frame make 4 1/2 yard strips at a time, it makes also a duplicate of these strips, and when sample lines are being produced it is just as cheap to make the machine do full work as half. One strip is cut up into salesmen's samples. The other strip we bought at half—a lucky chance we eagerly grasped. Friday three thousand yards of these perfect embroideries—perfect because made to sell by; embroideries that will withstand the wash tub. Hosts of sorts and widths. We simply hint at the prices:

10c. Edges at . . . 5c. a yard. 16c. Edges at . . . 8c. a yard
20c. Edges at . . . 10c. a yard. 30c. Edges at . . . 15c. a yard
35c. Edges at . . . 18c. a yard. 50c. Edges at . . . 25c. a yard

You can't appreciate the money saving in these prices until you see the goods.
